Note on Marriage

I can find details from Parish Records of his marriage to Henrietta Sharpe and children Mary and Edmund (1) are both listed with them as parents. However, children from Edmund (2) are listed as children of Michael and Esther. I can find the birth of an Esther Sharp in 1789 but no record of birth of Henrietta Sharpe.

This throws up a couple of questions:

1. Are Henrietta and Esther the same person?
2. Are they different people – I cannot find Death of Henrietta nor the marriage to Esther?

For the moment number 1 is assumed.
